

Product Information

WHEN ORDERING

1. The specifications of the products covered in this catalog are referential only.
You are, therefore, requested to derive your own product specifications before ordering.
2. For models which are not mentioned in this catalogue, please contact us. We are always ready for meeting your requests as much as possible.
3. The models of Optical Pick-ups show their classification; do not identify any product specifications. Please specify product specification drawing No. (equivalent to part No. in the catalog) when ordering.
