

# Worldwide Input System Compact type AC Adaptors ASR121P

Adaptors, Chargers

## FEATURES

1. Small, light direct plug type.
2. Supports worldwide input (AC100~240V).
3. Complies with Electrical Appliance and Material Safety Law and UL standards.
4. Output capacity : 12W (customer can specify output voltage and current)

## USES

1. Power supply for digital still camera.
2. Power supply for portable devices.
3. Power supply for computer peripherals.

## SPECIFICATIONS

Item	Specifications
Input voltage	AC100~240V (50~60Hz)
Output capacity	12W
